

UNITY - UQ GATTON WALK

Scenic campus walk on Ugarabul and Kitabul lands for students and staff

UQ Gatton is a campus defined by its people - students and staff who come from many pathways, disciplines and life experiences, but who share a common place of learning and work. The UNITY - UQ Gatton Walk is designed as a simple, positive campus activity that reinforces shared identity, wellbeing and belonging.

Drawing inspiration from the Australian National Anthem phrase "for we are one", the event focuses on common ground, connection and participation. The activity is informal, non-competitive and designed to provide a welcoming space for students and staff to come together outside formal teaching, research and administrative settings from all walks of life.

2 September 2025
